

H & B Intertex Co., Ltd. was set-up more than 20 years ago as a fully integrated manufacturer of soft toys and accessories. H & B Intertex Co., Ltd already got Certificate of **ISO 9001:2008** from **URS**

.

Since then , by being part of **Thailand's Sahagroup of Companies**, we have been able to call upon significant resources to establish ourselves as a leading producer in South-East Asia for plus toy and numerous related items.

Hence, combined with its commitment to excellence in manufacturing, H & B now supplies an enormously diverse range of customers in over twenty countries, including major international toy and character lisensing companies, retailers, restaurant chains, marketing services companies, major cosmetic brands, and many others.

For all the 4 million finished goods produced by H & B each year, every item conforms to the highest safety standards and quality control procedures, to ensure full customer reassurance.
